## **Expert Thoughts**

“With Durham’s ability to knock down free throws, his aggressiveness attacking the basket and drawing fouls can be another prosperous part of his game. Defense is part of the reason Durham earned minutes early on in his Indiana career and will continue to be a factor in his game this season. Durham isn’t a high-volume facilitator, which is an aspect that could use improvement heading into this season, especially if he’s going to be spending any time as the primary ball handler.”
