## Expert Thoughts

### Ocean St General Manager Eric Hirschbein-Bodnar

“Elijah is a very talented player. He handles his business like a professional on and off the field, he is one of our most team-oriented guys and a leader on the field and in the clubhouse for us.”

“A True Leader”

### Baseball America

“Dunham may not look exceptional on defense, but the ball goes in his glove and he’s athletic for a 6 foot, 220-pound outfielder. He’s also one of the premier bats in the NECBL thanks to a compact swing and physical presence that allows him to really barrel the ball. Dunham is never an easy out and is very patient and in control at the plate, always waiting for a ball that he can drive with power. Dunham has long had an exciting toolset but hasn’t really put it all together yet. He took a step in that direction this summer, hitting .360/.408/.574 with six home runs and eight stolen bases.”
