

# JOHNNY FEAUTO

## QUARTERBACK

### PROFESSIONAL SUMMARY

Johnny FeAuto is a mobile Quarterback with a handful of big plays in his pocket each game. He truly knows how to run a team and win while doing it; only losing 2 games in 3 years in college. Proving that Johnny knows how to lead the team from the backfield and the locker room. He adapts very quickly to new offenses and new teammates. Johnny's arm is also a great strength he possesses at the QB position, as he led the NAIA in Passing Yds and Passing Eff last season.
